From the Managing Director's Desk ...

The objective of my life is to reinforce the excellent education and best medical facilities for the people of Itkhori and its surrounding. This Challenging effort can only be achieved with your local support the foundation of this school has been kept to meet your imaginations and expectations for the bright future. The Plants and projects not stop at education but also to setup an extensive health centre for the people of Itkhori and suburbs.

The prime factor is to improve the generation of our country with quality education and to inculcate the moral values, ethics, spiritual beliefs, also to imbilbe them with platonics and patriotism and to enrich them with physical, mental and wisdom of intelligence.

Through this school we want to create such a generation who will be liable and accountable to direct the society as result we can be able to fight with present problems and help to build the Nation.

My vision is to explore the child's Psychology for there steadfast determination to find Eklavya in themself, These are our best wishes and with that Indian culture should improve. In 'Geeta' Karma has an importance. So I request and aware the parents or the guardians to give us there beloved children and will be return them brave Arjuna.
